## **Concierge Physical Therapy Opens Flagship Southborough Clinic, Redefining Rehab and Recovery in MetroWest**

**SOUTHBOROUGH, MA** — Concierge Physical Therapy, a leading provider of personalized rehabilitation and performance care, is proud to announce the grand opening of its newest and most advanced location at **154 Turnpike Road, Southborough**, officially opening on **Monday, May 5, 2025**.

At over **6,500 square feet**, the new clinic is **not your typical PT office**—it's a modern, elevated space designed for patients who want more from their physical therapy experience. With a **full turf performance center**, private treatment suites, and premium recovery amenities, the Southborough clinic delivers next-level care in a welcoming, high-end environment.

Whether you're an athlete, an active adult, or simply someone seeking relief from pain or injury, Concierge PT offers expert, hands-on treatment for **patients of all ages and activity levels**.

"We created this space to raise the standard for outpatient physical therapy," said **Dr. Sean Lordan**, Owner and CEO. "Our Southborough clinic was built for people who value quality, time, and personalized care—and want to get better, faster."

Led by **Dr. Brogan Walsh, DPT**, the Southborough location offers:

- Orthopedic Physical Therapy
- Sports & Injury Rehab
- Golf Performance Therapy
- **Dry Needling, Shockwave Therapy, Compression Therapy, and Infrared Sauna**

As a **direct access provider**, Concierge Physical Therapy makes it easy to start care—coordinating referrals or insurance authorizations as needed so patients can focus on their recovery.

Now with five locations across Massachusetts, Concierge PT continues its mission to deliver exceptional, personalized care in settings that feel more like wellness destinations than medical offices.
